confront the fellow
travelers of the Globalist
Dawn of the Great Social
Reset in the West; there
has arose a power from a
most unsuspected source
that has arose to confront
the Globalists' repackaging
of Hitler's dream vision
and selling it to all us
common rubes as the New

Liberal World Order with all the propaganda flacks of the corporate media working overtime to market this new, improved version of yet another 1930's pipe dream remake of society.

While all the familiar, half hidden faces tremble as the fear porn ravages all of

of endless DNC Robo Calls.
Out of the East comes a
call for sanity and to pull
the western nations back
from the cliff that they are
being driven off.
From a totally unsuspected
